

Driving to Whidbey Island

From Interstate 5 - Take **Exit 230** (Anacortes/Burlington). Turn **left** onto **Highway 20** and proceed until you see highway sign to Oak Harbor (**fourth stop light**) and turn **left**. Head up the hill, cross the bridge and stay on Highway 20. Proceed to the light on **Ault Field Road**. Turn **right**, and when you reach the first stop light, take **right** on **Goldie Road** to the **Charles Porter Gate**.

From Port Townsend (Keystone Ferry) – From ferry, turn **left** on **Engle Road**. Stay left on Engle Road (about 4 miles) until you come to **Highway 20** in Coupeville. Take a **left** at the light and continue **north** to **Oak Harbor**. At first stop light before highway goes into town, turn **left** onto **Swantown Road**. About one block after another set of lights, turn **right** onto **Heller Road**, and continue until it turns to **right** onto **Clover Valley Road**. Turn **left** at the second stop light (**Goldie Road**) to the **Charles Porter Gate**.

From Clinton (Mukilteo Ferry) - From ferry, follow **Highway 525** north, which turns into **Highway 20**, for about 43 miles before arriving to Oak Harbor. At first stop light before highway goes into town, turn **left** onto **Swantown Road**. About one block after another set of lights, turn **right** onto **Heller Road**, and continue until it turns to **right** onto **Clover Valley Road**. Turn **left** at the second stop light (**Goldie Road**) to the **Charles Porter Gate**.

****Please Note** that due to the unique geography of the Puget Sound region, the Washington highway system can be indirect and include ferry crossings. Point to point distances on the map can be misleading and actual travel times and routes may be significantly longer.
